Hi,

I am requesting access to the following information relating to the proposed closure of St Guthlac's School:

- 1) Correspondence between LCC, the Governing Body of St Guthlac's and George Farmer and the Crowland ward member Cllr Przyszlak regarding the proposals to close St Guthlac's School. Note correspondence means (but is not limited to) emails, letters, transcripts of telephone conversations.
- 2) Details of the Governing body of said school and their recorded interests made at the start of the academic year, and also any additional interests recorded when the unanimous vote to put forward the proposals was made.
- 3) Any information used by LCC and the Governing Body of said schools to determine that the St Guthlac's school is not sustainable in the longer term. I consider this information to be (but not limited to) pupil number predictions, geography of where pupils come from and the current financial situation of the school.
- 4) Any minutes from LCC meetings where the proposals to close St Guthlac's were discussed.
- 5) Any minutes from the said schools Governing Body where the proposals to close St Guthlac's were discussed.
