

Press Release regarding St GuthlacSchool

FLAWED CONSULTATION ON ST GUTHLAC SCHOOL CROWLAND

There was an informal meeting of interested parties held in Crowland on Tuesday 1st February 2011. This meeting was held at short notice due to the Consultation Document arriving somewhat earlier than had been indicated at the public meeting on 6th January 2011. An undertaking was given by John Hayes, the local MP, at this public meeting that all possible options would be considered before a decision was made.

It is our belief that this is a flawed consultation document and would strongly advise people not to complete the feedback form until after our next meeting, to which you are all invited. This will directly follow the formal consultation meeting being held at St Guthlac School on 16th February 2011.

Should you have any questions regarding this please contact either the Parish Clerks, Crowland Parish council on 01733 210653, Coun Paul Przyszlak on 01733 210936, or Jim Astill on 01733 211535.
