## ***To: Families from Crowland and surrounding area***

Education4Crowland is a group that exists to promote the retention of Secondary Education in Crowland. One way we can achieve this is by opening a new Secondary Free School from September 2013. The new school will have:

- ✓ **High expectations for every student, with no excuses;**
- ✓ **High quality lessons everyday;**
- ✓ **High levels of community involvement.**

### **Who are we?**

We are a small group of committed parents, members of the community, teachers, school leaders and local politicians. We are completely dedicated to ensuring that the residents of Crowland have the option of a truly local secondary school **open to all students** from all backgrounds. We want a new school that sets the **highest of aspirations** for our young people.

### **Why do I need to fill in a form?**

You are registering to receive relevant information about our proposed new Secondary Free School in Crowland. In time, once admission application details have been established, this will lead to communication of detailed information on how to apply formally to the new school. We ask one parent or carer to sign this form to ensure the accuracy of the information received.

### **Can I still apply for other schools?**

Yes. Filling in this information, leading to the option to apply for admission to the proposed new school, does not prevent you from applying to other schools.

### **Who will see my completed form?**

Please be assured that all information received will be kept in the strictest confidence and only seen and processed by Education4Crowland, the Trust formed to progress the Free School and the Department for Education.

### **Where should I send the completed form?**
